1. Forwarded herewith are two complete copies of the FY 1971 through FY 1974 cost estimates for: U-2R Procurement, IDEALIST, IDEALIST, [REDACTED] Common Support, [REDACTED] Photographic Materials and Processing [REDACTED], Advanced Aircraft Systems, General R&D (Aircraft), Countermeasures R&D [REDACTED], CORONA, [REDACTED] Follow-On Program, Applied Research/Advanced Technology, and Vulnerability (Satellites).

2. The estimates for Advanced Aircraft Systems, [REDACTED] Follow-On Program, and Applied Research/Advanced Technology are presented at this time, even though there are no current program approvals to proceed, so that they may be used for planning purposes.

3. In addition to the above, the Depot Support (Satellites) cost estimates are also being forwarded; however, they are not included in the Tab A summary.
